

ELECTRONIC RESOURCES AVAILABLE AT THE SIMMONS LIBRARY

The Simmons Library provides access to a large number of electronic resources, such as bibliographic databases and reference sources, to all GSLIS students. These electronic resources are listed below and are available through the GSLIS Collection Library website. Go to (<http://my.simmons.edu/library/collections/gslis/>) and select the resource you want from the "All GSLIS E resources" at the top of the page. Please note that a few databases, such as ArchiveGrid, can only be accessed from a computer in the Library or have some other special restriction. These items are marked with an asterisk (*) in the list below. If you have questions or problems with any of these resources, please contact Linda Watkins at 617-521-2824 or Linda.watkins@simmons.edu
