Dear Simmons Student:

Please join us for this year's Women's Legacy Weekend. Formerly known as Mother-Daughter Weekend, Women's Legacy Weekend is a long-standing tradition at the College in which we invite you to share the weekend with a woman (or women) who has/have made an impact on your life.

The Office of Student Leadership and Activities has created an exciting weekend for you. Please read through this brochure and join us for one, some, or all of the events we have planned.

One final note: whether or not you bring a guest, every student in the Simmons community is invited to register and attend any of the events; in which case, we will celebrate you and the impact you, as a student, are making on Simmons.
