

# THE DINETTE

## Simmons Dining—Kosher Passover

Passover is just around the corner, beginning at sundown on Wednesday, April 8th and running until sundown on Thursday, April 16th. As we have done in the past, ARAMARK at Simmons College has paired up with our sister college, Boston University, to bring in official kosher lunch and dinner meals for students on campus.

The meals will be served at both the Fens and Bartol. Lunches will be served at

the Fens from 11:00am until 2:00pm and can be picked up at the 'Mix it Up' station. The dinners will be served in Bartol Small, located off of Bartol Hall behind the double doors near Center Stage from 5:00pm until 7:00pm.

The meals are prepared in Boston University's kosher kitchen and then are sealed and signed by a Rabbi before being delivered to Simmons College. If you have any

questions about this program, please feel free to contact dining services at x2894.

## All Dining Staff Will be UNIFORM

Spring seemed like the perfect time to give the dining staff a completely new look! As you walk into the Fens and Bartol Hall it was hard to see a consistent uniform amongst all staff. Now that has all changed! ARAMARK at Simmons College has upgraded the image of

every member of the dining staff. We have new polo shirts in a vibrant navy blue, along with a more stylish apron and topped off with baseball caps. All staff between the Fens, Bartol, coffee shops and Quad Side will be dressed in the best! The

new polo shirts will sport the Simmons logo on the left breast along with new name tags to help better serve everyone on campus. So keep your eyes peeled for the newly stylish dining staff, and let them know what you think of their new look!

# Introducing New Quad Side Items

Quad Side, located in Smith Hall on the residence campus of Simmons College, offers various toiletries, snacks and grill items to enjoy early afternoon and late night.

Although the variety of items featured at Quad Side was good, we wanted to make it great! Quad Side now offers a wide variety of salads, ranging from a house salad all the way to a chicken Caesar salad. This provides a healthier late night or dinner meal option, or can

round out your dinner to make a well-balanced meal.

Along with adding in healthy selections we have begun to incorporate more snack items on the grill. Following Spring Break you will be able to choose from cheese fries, sausage and peppers or nachos with cheese. These items make a great on-the-go snack, or are perfect to curl up to a movie with on those nights when you are hanging in with your friends.

Last but not least, Quad Side now serves Green Mountain Coffee. Green Mountain provides fair trade and organic coffee and is a local company out of Waterbury, VT. Quad Side has a rewards card for Green Mountain Coffee purchases. Each time you buy a coffee you get a stamp, and once your card is full it's a FREE coffee on us!

So stop on by Quad Side and indulge in our newest additions!

## Put Your Hands Together For...LT

LT is the Fens Café's amazing deli staff member. LT's was born on August 14th. He grew up with one brother and five sisters in Savannah, Georgia. One thing that LT can really bend your ear about is sports! Basketball is his favorite to watch on television, and he stated with pride and excitement that his number one team is the Boston Celtics. Paul Pierce is LT's favorite player, and a few years ago a former co-worker gave him a wrist band that had belonged to Paul himself! Unfortunately, LT has since lost his prized possession, but is always on the lookout to get another one to add to his memorabilia collection. So when you're over at the Fens, feel free to grab a sandwich and talk sports with LT!
