

**INFORMATION PROFILE FOR SIMMONS COLLEGE  
ENDOWED SCHOLARSHIPS**

**SCHOLARSHIP INFORMATION**

By voluntarily submitting this information profile, the Office of Student Financial Services will be able to determine your eligibility for Simmons College endowed scholarships. These scholarships have been established by gifts to the College from alumnae/i, corporations, and various other benefactors. Some of these scholarships may have restrictions, such as your major or place of birth.

The requirements for the over 200 scholarships vary considerably, but all of them require students to have financial need. In other words, to be eligible for these endowed scholarships, you must apply for need-based financial aid with Simmons Office of Student Financial Services. This profile serves as a supplement to your financial aid file. To begin the financial aid process or to check on the status of your financial aid file, contact our office at the number listed at the end of this form.
